PARISH COUNCIL NEWS

The monthly meeting of Bar Hill Parish Council was held on Tuesday 17th July in Bar Hill School.

Village Policeman

The Parish Council was very pleased to hear of the appointment of PC Turney as full time resident constable for Bar Hill. At present PC Turney's presence in the village is subject to the demands of policing the miners strike, but when this is over he will be patrolling the village on a full time basis with no additional duties elsewhere. The Council unreservedly welcomes this appointment and trusts that it will solve many of the problems previously experienced in connection with policing the village.

Library

County Councillor Coteman reported that a static library for Bar Hill is now part of the medium term strategy of the County Council and that it should be in existence in three years' time.

It is probable that a new building will be constructed to house the library but no firm decision on this has yet been made. Councillor Coteman promised to find out more information on this and will also ask those involved in planning the new library to consult closely with the Parish Council at all stages of the project. Many residents will join with the council in welcoming firm plans for this long awaited and much needed facility for the village.

Crash barriers on A604

Councillor Coteman also reported that funds have been allocated for the provision of crash barriers on the central reservation of the A604 from the end of the M11 to the Bar Hill interchange. Work is expected to begin in September and will take about three months to complete.

Parish Council Notes (continued)

Youth Club

One person has volunteered to help at Youth Club sessions, and as a result the Club has been able to open for additional periods. If more helpers come forward, further extensions of time will be possible, so if you could offer a few hours each week please telephone Doug Haylock on CH 81781. It was noted that children have been seen climbing on the roof at the back of the Farmhouse. This is very dangerous and parents should make sure their children are told not to do so before serious injury occurs.

There is no Parish Council meeting in August.

POLICING OF BAR HILL

Yet another change to report but hopefully with a degree of permanence this time. As from Monday 9th July 1984 I was appointed the Bar Hill Resident Constable, a position which will see me policing the village on foot and cycle eventually. Whilst the Miners' Dispute prevails I will still be spending some time in the Midlands and when not required for that I will be committed to working as a normal member of Histon Section. When the dispute finishes then I will be able to devote all my time to Bar Hill but until then I would ask that any messages requiring my attention be communicated via Histon Police Station (9823 2222).

MUSIC IN BAR HILL

Now that Bar Hill has grown to its present size there must surely be many residents who have an interest in music of one kind or another and would like to play some active part in music making. Not only musicians but people with some organising ability or who like to listen to live music.

Would you like to see some locally based musical organisation in Bar Hill ? Some possibilities are -

Concert going, e.g. hiring a coach or mini bus
Taking children to see a pantomime
Concerts by local musicians
Children's music - (by children?)
Music for (or by?) teenagers

These are only a few possibilities. Other ideas include maintaining a register of local musical instrument teachers and a calendar of local musical events.

Interested ? Do you have your own ideas about music in Bar Hill ? Then come to a meeting at 49 Appletrees on Thursday 6th September 1984 at 8.00 p.m. Put the date in your diary and then come to see what in this village we can do together.

WASTE PAPER COLLECTION

Bar Hill Cubs and Scouts re-cycle waste paper and cardboard. A trailer is parked outside the School on the last Saturday of each month.

VILLAGE APPRAISAL

Thank you very much to all seven who have taken the trouble to write with ideas. Please let us know what you think about the future of the village. What do you want? Constructive comments please, preferably in writing to Peter Blackman, 34 Acorn Avenue (CH 80384) or Christine Avery, 23 Foxhollow (CH 81233). It is evident from the comments so far that there is concern at the lack of facilities for teenagers, especially those in the 15-19 year old age bracket. We are therefore hoping to have a general meeting to discuss this probably early in September (date and venue to be arranged) when all ideas will be very welcome. Are there any other subjects which people would like to discuss?

We have been walking around the village recently and would like to congratulate you on the very tidy and attractive general appearance of the residential parts of the village - we give every good impression to those who venture into that part - we only wish that the commercial and industrial areas were as well kept - if you see something which is dirty, messy, untidy, ask the people responsible to do something about it - its a shame to let a few spoil the efforts which so many of you are making.

BAR HILL ALLOTMENT AND GARDEN SOCIETY

Its good news week - the Parish Council have agreed to cut down all the unused allotment plots and they may even rotavate sufficient plots for all new plot holders. You cannot have a better start than that - also, to help you even more, if you rent now you get three months free rental. We are doing all we can to help enthusiastic newcomers and advice is freely available - so this is an opportunity not to be missed. The rental is £3.50 for a full plot or £1.75 for a $\frac{1}{2}$ plot. Come and see us at the shop any Sunday 11.30 - 12.30 where you can buy your goodies and, if interested, pick your own plot.

Finally a reminder of the annual show on Saturday 15th September at the Church Hall. All exhibits will be received between 10.30 and 11.30 after which we are open to the public until 3.30 when the winners will be announced. A full list of classes is as follows :-

BAR HILL COMMUNITY PRIMARY SCHOOL - COMMUNITY USERS ASSOC.

This month sees the end of a very busy year for your Community School. The children have worked hard and evidence of this was on show at the end of term Open Day and the school buildings have played host to many community activities.

At the end of the school year we often have to say goodbye to colleagues as they move on and this term sees Mr. Williams, our Community Tutor, moving on to pastures new.

Plans have been made for a full programme of events next year all of which have been asked for by like minded groups within your village community. Please do not hesitate to put forward any ideas you may have for further clubs, societies or classes as without your ideas we cannot provide the community service towards which we aim.

Have a happy holiday, if you haven't had one yet, and enjoy the month of August.

Irene Abraham, Community Secretary.

BAR HILL PRE SCHOOL PLAYGROUP

Another term has drawn to a close and sadly we have to say goodbye to Jan Hewins, one of our Playgroup Supervisors. Jan has been with us for so long we shall be very sorry to see her go, but we thank her very much for all her hard work at Playgroup and of course all the many hours of preparation and behind the scenes jobs she has done. We wish her good luck in her new post and we hope to see her at playgroup still in a mother helper role.

Our Jumble Sale was very successful and raised £130 which was very pleasing. Part of this money has been spent on a new telephone kiosk which the children have thoroughly enjoyed playing with. Our further fund raising efforts are to be for more basic things, (the chairs in the work room need replacing) but we thought a new piece of play equipment would be nice to start with.

Sports Day was enjoyable, the weather was kind to us in the end and a good time was had by all.

Lastly on behalf of all at playgroup let me wish all the children leaving us Good Luck and Happy Days at School.
